DONATION FORM

The Team Jigger Foundation is dedicated to enriching the lives of people who have suffered spinal cord injuries or associated disorders and related mobility challenges. We are based in Lacombe, Alberta but serve the greater Central Alberta Community with the equipment, information and resources to help individuals move better, live healthier and work easier. We strive for everyBODY to live and function together in the same environment, and our accessible rehabilitation facility is a hub for everyBODY to move, live and excel together.

As advocates for accessibility, innovators in program delivery and champions of individuals and families striving to find their best possible outcomes, we humbly thank-you for your donation.
