# Participation Rules

This year we are promoting a team-style event where a team of *up to four* individuals spend a portion of the day in a wheelchair. To encourage some good old-fashioned, friendly competition, we challenge each team to completing a few tasks (list will be provided with chair pickup).

The purpose of this year's event is threefold;

First, to allow able bodied individuals to experience the hurdles faced by the mobility challenged in a way that generates awareness and understanding.

Second, to extend the reach of accessibility awareness throughout our community by collaborating with other local non-profit organisations.

And thirdly, to utilize the experience and your existing social and work networks to solicit donations for the Team Jigger Foundation to purchase new equipment designed to aid in mobility recovery.

We are thrilled to collaborate with the Broom Tree Foundation, Big Brothers Big Sisters Lacombe, The Lacombe and District Family and Community Support Services, and the Lacombe Foodbank to spread even greater awareness for accessibility in our community.

Before submitting your registration form, please read the following rules for the 2024 Chair Aware event.

## **RULES**

- 1.** Please take note of your chair pick up and drop off time and location. Teams are responsible for chair exchange throughout the day. Adherence to these timelines and sites is key to keeping the campaign running smoothly throughout the week, and your assistance in keeping it that way is greatly appreciated. If unsure, please ask!
- 2.** Your chair will be sanitized prior to pick up.
- 3.** Please take care of your provided wheelchair. It is on loan for this event specifically and if lost, stolen or damaged, may mean it is not available for someone who needs it afterwards.
- 4.** You are asked to remain in your chair, within reason, for the duration of your experience on your participation day. It is suggested that you take a few moments early on to learn how to operate your manual chair, and to adjust supports as required.
- 5.** Please attempt to remain in your chair for the allotted timeframe. Only leave your chair to use the washroom, to safely operate your vehicle, or if you are absolutely unable to maneuver the chair safely. Keep the chair near you at all times.
- 6.** During the course of the event, do not engage in any unsafe activity. Attempting to maneuver your chair in a way that is harmful to yourself or others is not permitted, nor is willfully engaging in activities that may damage or make the chair unusable.
- 7.** As an able-bodied participant, please be aware of your privilege. Do not abuse or misuse resources (such as handicapped parking stalls or accessible building features) that are being used, or are meant to be used, by the mobility challenged. Your experience is an important component of the campaign, but is not to be used to the detriment of those in actual need.
- 8.** Please do not use this campaign as a platform to point out, embarrass, denigrate or shame any business, residence, municipality or service that may not be as barrier free as you would have liked. Instead, consider how these barriers may be experienced by someone with a

mobility challenge and how you may be able to help find solutions. Share your observations with event organizers post-campaign to see how we may be able to address identified needs.

**9.** Please feel free to document or share your experience on social media using the hashtag **#TJFChairAware**. Remember that, as an awareness campaign, it may be easier to experience the negative over the positive, but please refrain from publicly airing negativity (as outlined above). Please consider whether it is necessary to include a business' name in your post, or rather a close-up of the barrier you may have experienced.

**10.** Please do not misrepresent yourself as mobility challenged to anyone, especially to those who are unaware of the campaign. Utilize the quick notes (provided) to describe what it is you are doing, and spread awareness to those you meet during your day.

**11.** While soliciting fundraising dollars, refer to the 'How To' document provided with your registration package for instructions on how to use your personal QR code

**12.** A Team Jigger Support Team will be available from 8 am to 4:30pm May 27<sup>th</sup> – June 22<sup>nd</sup> to aid with any questions you may have, or to troubleshoot any problems you may encounter.

When in doubt, do not hesitate to reach out for guidance.

Finally, there is no 'proper' way to experience this event. You may feel excited, embarrassed, scared, happy, emphatic, discouraged, overwhelmed or determined. How you experience this awareness campaign is unique and correct for you. However, when sharing your experience, or upon reflection of your time in the chair, please remember: your 8 hour, one-day participation is a 24-hour, 365-day-a-year experience for a paraplegic, quadriplegic or similarly mobility challenged person.

Thank-you for your consideration of those individuals, who have their own varied and emotional experiences with their day to day lives.

And thank-you for undertaking this commitment to the Team Jigger Foundation. Together, everyBODY Achieves More, and we could not do it without your support!
